ORDER

VERNON S. BRODERICK, United States District Judge:

I am in receipt of the parties' motion for consolidation of related cases, preliminary approval of the settlement, and certification of a settlement class. The proposed preliminary approval order and notice of pendency and settlement of class action both require an objector to appear in person at the fairness hearing in order to make a timely objection. (Doc. 31, Exs. A-B.) The parties are hereby directed to strike this requirement, and provide revised documents that include language permitting an objector to make an objection without personally appearing, but requiring the objector to provide notification if he or she intends to appear in person.

SO ORDERED.
